SUBJECT: PY25 Community Housing Impact and Preservation Program (CHIP) Final Partnership Agreement

## SUMMARY AND BACKGROUND:

This is a request to authorize and direct the Mayor to enter into the attached final Partnership Agreement with Medina County, Brunswick, and Wadsworth for a PY25 CHIP application. A copy of the agreement is attached.

In the past, the cities of Medina and Brunswick have partnered on CHIP applications with Medina serving as the responsible Grantee. On March 10, 2025, City Council approved Resolution 49-25 authorizing an initial agreement for the City of Medina to partner with Medina County, Brunswick, and Wadsworth for a PY25 CHIP application. The expanded partnership has the following benefits:

- Medina County will serve as the Grantee responsible for administration, record keeping, finances, and coordination. This arrangement saves considerable City of Medina staff time in the Community Development, Finance, and Law Departments.
- Medina County has been successful in obtaining CHIP funding in recent years and currently works with the same consultant as the City of Medina.
- A single county format is preferred by the Ohio Department of Development, which increases the chance that the application will be funded and is easier for a CHIP consultant to administer.
- Residents have been unsure of which government agency to contact to apply for CHIP funds. A countywide CHIP will be more straightforward for residents.

The agreement allocates \$254,516 for Private Owner Rehabilitation and \$116,000 for Home Repair-Owner funds to the City of Medina. The allocation includes \$44,216.89 the city has accumulated from CHIP Program Income funds. The funding is commensurate with the funds the City of Medina would request if the city only partnered with Brunswick.

Estimated Cost: \$0

Suggested Funding:

- sufficient funds in Account No.
- transfer needed from Account No. to Account No.
- NEW APPROPRIATION needed in Account No.

Emergency Clause Requested: Yes Finance and Council the same meeting

Reason: The PY25 CHIP application is due on 6/25 and the consultant needs to collect numerous approvals and documents from four different jurisdictions.
