**General Information**

**Program and Activity Fees**

The Medina Community Recreation Center (MCRC) offers a wide variety of programs and activities designed to meet the needs of community members of all ages and interests. The fees assessed to participants for all programs and activities will be established to assure that the department will cover expenses such as: instructor fees, supplies, facility space, advertising, and administrative cost. The program and activity fees in this proposal are based on hourly class rates or full season rates and are **not to exceed** the rates listed. The duration of each program may vary; therefore, the fees in this proposal are provided in hourly increments to accurately reflect the true cost of each program.

Most programs or activities will have both a member and a nonmember fee. As a perk of their membership, members will receive a lower price on programs and activities that are sponsored by the MCRC.

Some programs may require additional supplies to be purchased in order to participate or enhance participation in the program. On occasion, these supplies may be purchased at a discount from the program instructor, or may include items that an individual has prior to class participation. Therefore, in order to eliminate the possibility of unnecessary fees being assessed to participants, these fees may be itemized separately.
