City Trick or Treat: City of Medina Trick or Treat is October 31, from 6 pm to 8 pm.

Set Clocks Back: Daylight Savings Time ends on Sunday, November 2, at 2 am. Turn your clocks back and gain an extra hour of sleep.

Leaf Pickup: The city has three vacuum trucks dedicated to this program. The city will divide north and south at Smith Road, and have two trucks making multiple passes moving from east to west. The third truck will float throughout the city working in areas where the volume of leaves is particularly heavy. There is no way to predict the exact dates that the trucks will pass through your neighborhood. The city will make every attempt to pick up all the leaves before the weather turns cold and covers them with snow and ice. Leaves that are covered with snow and ice cannot be picked up until they thaw, as the snow and ice damage the vacuum equipment.

- Rake leaves to the tree lawn as soon as possible.
- Do NOT rake leaves into the street, or you may be subject to a fine. (Ord. 311-01). Leaves in the street pose a safety hazard and also clog the stormwater drains.
- Do not place branches or other debris in the leaves.
- Do not park vehicles on the street and block the leaf piles from being accessed.
- Do not allow children to play in leaf piles near the street.
- Please share these guidelines with your lawn service.

Casting Call: Medina Rec is going to create professional commercials and they want you to be a part of them. They are looking for participants ages 13+ to join in the filming.
