Water Main Improvement Project to Impact Traffic and Parking

Planned work scheduled for the week of August 4 thru 8:

- The contractor will complete the last tie-in between the new water line on West Liberty Street and the existing water line on North Court Street. This will require closure of the curb lane of traffic on North Court Street at the northwest corner of North Court Street and West Liberty Street for approximately one day.
- The water line will be installed at the intersection of South Elmwood Avenue and West Washington Street This will require closure of this intersection for one to two days. A detour will be set up and maintained during this time.
- Water service connections to the new water line will be installed across South Elmwood Avenue to serve three customers on the west side of the road. This will require closure of this intersection for one to two days. A detour will be set up and maintained during this time.
- As always, this schedule is weather dependent.
