Employment Opportunity with Armstrong

Armstrong is a 3rd generation, family-owned and operated company that started providing service to Medina in 1980.

Today, Armstrong provides high-speed fiber internet, video, and phone service to homes and businesses throughout Medina on their 10G fiber-optic network. Armstrong is currently looking for a motivated Broadband Technician to join their team. In this role, you'll be responsible for the installation, troubleshooting, and repair of their Internet and telephone services for both residential and commercial customers. Responsibilities include, but are not limited to:

- Install and troubleshoot voice and data services, using the latest test equipment and following their safety and installation guidelines.
- Maintain vehicle inventory and safety compliance.
- Provide timely, detailed paperwork and feedback to help improve Armstrong's services.
- Stay ahead of trends through continuous training and development.
