\$16.69 Month/Min (100 cubic feet)
\$3.53/100 cubic feet (750 gallons)
\$20.00 Per Month Rubbish Collection
\$5.10 per Month–Water Capital Improvement Levy

Residential Curbside Rubbish Collection Guidelines

- How Often and Where is My Rubbish Collected?

All residential rubbish is collected one time per week on your assigned pickup day. All rubbish cans and bags are to be placed at the front line of the property as close to the curb as possible. Please make sure that the rubbish is not placed on sidewalks or within ingress and egress traffic areas.

- How Do I Prepare My Rubbish?

All waste materials shall be placed in designated plastic refuse containers or plastic bags. The plastic containers must have two handles and have a maximum capacity of **40** gallons and shall not exceed **35** pounds. Plastic bags must be securely tied and be of adequate thickness and not exceed **35** pounds. Do not use cardboard boxes or paper bags as trash containers. Items such as Hypodermic Needles and Glass (Sharps) must be properly prepared before placing them in the rubbish. Please visit www.medinaoh.org/city-services/sanitation-department for specific instructions and details.

- What to do with Bulk Items?

Bulk Items are collected with your rubbish on your assigned collection day.

- What Bulk Items Are Accepted?

Most household bulk items are accepted and will be collected at the curb. Items must be placed at the curb and properly prepared. Properly prepared means the item(s) must be neatly placed at the curb and manageable for 2 people to load the item into the truck. A manageable amount for collection is 3 cubic yards at the curb per week. 3 cubic yards is a 4 foot by 7 foot by 3 foot tall area. (4’x7’x3’). Any amounts that exceed this are subject to additional charges at \$7.00 per cubic yard.

- What Items are NOT Accepted for Curbside Collection?

Items that are **NOT** accepted at the curb are as follows.

-All Household Hazardous Waste (Motor Oil, Water and Oil Based Paint, Cleaners, Bleach, Solvents, Gasoline, Diesel, Antifreeze, Pool Chemicals, Aerosol Cans, Mercury Containing Devices, Propane Tanks, Cylinders ETC...)

-All Specialty Waste (Televisions, Monitors, Cell Phones, Computers, Game Consoles, Printers, Fluorescent Light Bulbs, Lithium-Ion Batteries, Jump Start Packs, Tires ETC...)

-All Freon Containing Devices (Refrigerators, freezers, dehumidifiers, Air Conditioners, Ice Makers ETC...)

Please visit www.medinaoh.org for details on how to handle items that are not accepted.

-What to do with Construction Debris?

Construction debris consist of unwanted materials that are generated during the remodeling of the house and property. This includes items such as lumber, cabinets, windows, doors, drywall, flooring, carpet, bathroom fixtures, and playground sets.

Most construction debris items are accepted and will be collected at the curb. Items must be placed at the curb and properly prepared. Properly prepared means the item(s) must be neatly placed at the curb. All lumber and long lengths of material must be cut into 4 foot lengths and bundled. Duct tape and rope work well for making manageable bundles. The bundles shall not exceed 35 pounds. A manageable amount for collection is 3 cubic yards at the curb per week. 3 cubic yards is a 4 foot by 7 foot by 3 foot tall area. (4’x7’x3’). Any amounts that exceed this are subject to additional charges at \$7.00 per cubic yard.

- What to do with Yard Waste?

Yard Waste is collected every week, late April through early November, on the same day as your rubbish pickup. Yard Waste shall be placed in a separate, designated plastic container or bundled. The container must be labeled “**Yard Waste**” in large lettering. The container shall be placed at the front line of the property, before 6am on the day of your collection, and placed at least 6 feet away from your rubbish.

Yard Waste consist of grass clippings, leaves, flower bed clippings, garden clippings and tree trimmings. Items must be properly prepared. Properly prepared means the item(s) must be neatly placed at the curb. All branches and long lengths of material must be cut into 4 foot lengths and bundled. Rope works well for making manageable bundles. The bundles shall not exceed 35 pounds. A manageable amount for collection is 3 cubic yards at the curb per week. 3 cubic yards is a 4 foot by 7 foot by 3 foot tall area. (4’x7’x3’).

Paper Yard Waste Bags will not be collected at the curb. The facility that composts our yard waste does not accept the paper bags.

Please visit www.medinaoh.org/city-services/sanitation-department/yard-waste for more details and updates.

-What to do with Large Amounts of Rubbish?

Roof replacements, deck replacements, shed demolitions, pool demolitions, large construction projects and move outs are considered large amounts of rubbish. Renting a roll off dumpster is recommended to handle these large rubbish situations.

- What to do with Recyclables?

Recyclable materials shall not be mixed with your curbside rubbish. This includes cardboard, paper, plastics, and metal cans. These materials shall be properly prepared and taken to the multiple locations throughout Medina City and Medina County.

- What to do with Leaves?

Curbside Leaf Collection- The Medina City Street Department is responsible for leaf collection during the fall. During leaf season, updates and leaf collection information may be obtained by calling **(330) 725-LEAF**. In order for the leaf program to operate more efficiently, please follow the guidelines provided below:

Leaves Raked to Curb for Pick Up- Fall Season Only

- ❖ **Leaves should be placed on your tree lawn NEXT to the curb in a windrow. (If you do not have a tree lawn, put them as close to the city sidewalk as possible).**
- ❖ **DO NOT mix brush, grass or rubbish in with leaves (brush should be put out with your rubbish on your designated pick up day)**
- ❖ **Do not put leaves in the street**
- ❖ **DO NOT allow children to play in the leaves on or near the street.**
- ❖ **DO NOT park vehicles over leaves. The heat from the underside of the vehicle may cause a fire.**
- ❖ **DO NOT rake leaves into the street after leaves have been removed from your street or you will be subject to a FINE.**

Street crews will perform the annual Curbside Leaf Collection Program beginning Mid-October. The City will be divided into two sectors; North and South. Smith Road will be the divider.

One truck dispatched in the North. One truck

dispatched in the South sector and the third Leaf Vacuum truck will float between the two areas to accommodate large volumes.

Leaves will also be collected in cans or bags year round. Please see rubbish collection and yard waste collection rules for details. Mulching and composting leaves are the most environmentally friendly options to save landfill space and reduce emissions. **-Christmas Trees** will be picked up for a two week period starting on the first work day after December 25th.

-DELAYS IN COLLECTIONS may occur occasionally due to inclement weather or official holidays. However, the Sanitation Clerk should be notified of any collections that are missed on a regular basis.

-DELAYED COLLECTION HOLIDAYS – New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day. When a holiday falls on a weekday, the collection for that day and all following days of that week will be one day late.

-WORKING HOLIDAYS- MLK Day, Presidents Day, Juneteenth, Columbus Day, and Veterans Day. These days will be collected without any delay in service. Please have your rubbish at the curb by 6:00am on your designated collection day.
