SANITATION DEPARTMENT

**Codified Ordinance 941.03 (b)
Storage of Rubbish; Containers**

Whenever the placing of containers at the front line of premises causes a public nuisance or otherwise causes undesirable health problems or hazards, the Director of Public Service may advise the owner, tenant, lessee or occupant that scheduled collections will be made at or from other designated parts of the premises.

In order for the Sanitation Department to enter upon private property
this form must be signed.

LIABILITY RELEASE

Address for container _____

I (we) grant permission to the City of Medina to enter upon our property for the purpose of placing a proper receptacle to collect rubbish/garbage. I (we) release the City of Medina of any and all liability for damage(s) to roads, driveways, sidewalks, grounds, buildings or structures on this property which may result from the servicing of said receptacle during collection.
